Rich, your guess is as good as mine..... I'll ask Ron in the morning as they may have talked to him about schedules before they sent out the appt this afternoon. Thanks, den.

Den I got an invite (and accepted) from Shawn this afternoon to meet on Dimock tomorrow from 245 till 315. Is this something separate from the [nonresponsive] meeting originally scheduled? Does this mean we now have from about 2pm until 315pm for both subjects?

thanks
Rich
